What is VACC Camp at Miami Children's Hospital?

Each spring in April, Miami Children's Hospital hosts a free week-long overnight camp for ventilation assisted children (children needing a tracheostomy ventilator, C-PAP, BiPAP, or oxygen to support breathing) and their families. Overnight campers come from throughout the United States and other countries. South Florida families and youngsters from local residential care facilities join in as day campers.

Moises Simpson, MD, FAAP, FCCP
 Director of the Divisions of Pulmonology and Pulmonary Care Since 1984
 Founder and Director of VACC Camp since 1986
