## COVID -19 Disclosure

As you are most likely aware, research has shown and confirmed that risk of exposure to COVID-19 exists in all public places where people gather and are present. In accordance with the CDC (Centers for Disease Control and Prevention), it has also been confirmed that COVID-19 is a very contagious disease which can lead to severe illness or death. Senior citizens and people with underlying medical conditions are at a higher risk and especially vulnerable.

You are expected to make your decision to participate in the Moises Simper's VACC DAY Camp with this information and knowledge.

By signing this letter, you are assuming all risks related to exposure to COVID-19.

We have read the above information concerning the risk of COVID-19 exposure; we fully understand the risk and take full responsibility of all consequences from being exposed.
